Matters for Discussion and Possible Action by Town Board in Open Session:

- a. Discussion took place on the spring weight limits and the possibility of fees for local businesses hauling up to 80% of legal axle weight limit. There was a general consensus of the board that Chair Przybylski talk to the local businesses and use the application to best fit the town businesses.
- b. Discussion took place and the Class B weight limit signs being placed on town roads. Chair Przybylski talked to Grant Bystol, and he recommends Class B weight limit on town roads in question. Class B weight limit signs means if you have a ~~destination in the town to deliver~~ **delivery to or pickup from a business or residence that has an entrance on the posted Class B highway** you can do so using full licensed axle weight. It does not allow trucks to pass through the town unless they carry 60% of the licensed axel weight with no delivery ~~in the town~~ **or pickup on the posted Class B highway without a permit**. Chair Przybylski reported that he talked to the State Patrol and Shawano County Sheriff, and they can enforce it if signs are installed. *MOTION (Przybylski/Eckberg/PASSED UNANIMOUSLY)* to put up Class B weight limits signs on Middle Drive/Highway 32, Middle Drive/County Road C, Mile Drive/County Road C, Cedar Drive/State Highway 29, and Cedar Drive/Church Drive intersections.
- c. Discussion took place on the speed limits on town roads. It was brought up at the annual meeting to lower the speed limit on Elm Road from Middle Drive to Nichols Drive. *MOTION (Van Asten/Eckberg/PASSED UNANIMOUSLY)* to install pedestrian/bike signs on Elm Road. One on each side of Middle Drive and one entering from State Highway 160 and one entering from South Town Line Road.
- d. Discussion took place on crack filling roads and the process of how the company does the service. *MOTION (Eckberg/Van Asten/PASSED UNANIMOUSLY)* to crack fills sections of the following roads, Cherry Drive, Mile Drive, Green Valley Road, South Town Line Road, not to exceed \$25,000.
